Descriptions

The Glass Collection

Consists of a wide range of popular solid, mixed and even special colors. The recycled glass adds vibrant colors to any landscape and can even be used in any fire place or fire pit application.

The Nara Pebble Collection

These unpolished stones can be used in several landscaping applications like walk ways, and water features to add an architectural design.

The Polished Pebble Collection

These glistening stones can be used in the same applications as the Nara Collection, but will add a glossy and more sparkling appeal.

The Bean Pebble/Stone Collection

Available in several colors, these small 1\5” pebbles are perfect for swimming pools and water applications.

The Mexican Beach Pebble Collection

The naturally flat and smooth stones are available in 4 basic colors and are used for decorative water applications
